

## **SIMPLE PLAN DONATES TO PHILIPPINES RELIEF EFFORT**

November 12th 2013 – Shocked by the magnitude of the destruction caused by Typhoon Haiyan, one of the most powerful and destructive storms recorded in the region's history, the members of Simple Plan decided they had to do something to help.

Because they have had the privilege of visiting this great country many times over the last 10 years and have an amazing Filipino fan base, this disaster really hit home for the band and they are deeply saddened by the human catastrophe that has hit the Filipino people.

In consequence, the Simple Plan Foundation has decided to donate \$ 10 000 to the Canadian Red Cross to help support the victims and contribute to the rescue effort. The band hopes that their modest contribution will inspire other artists and people to donate and invites their fans to join them and pledge money to come to the aid of the victims of this horrible tragedy.

To make a donation, please visit [www.redcross.ca](http://www.redcross.ca). You will find all the information you need to get involved. We thank you for your support and generosity.

To all our Filipino fans and friends that are dealing with this disastrous situation, we are sending you all of our love and our best wishes of hope, courage and strength in these difficult times.
